GOVERNMENT'S MOTION TO SEAL INDICTMENT

The United States of America ("the government"), by and through the United States Attorney for the Northern District of Texas, moves for an order sealing the indictment returned by the grand jury in the above-captioned criminal case. The government requests that the indictment remain sealed until defendant, **Anthony L. Robinson**, has been apprehended and has made an initial appearance in federal court, or until further order of the Court. The government believes that the public release of the defendant's identity before he has been arrested may hinder his apprehension or may otherwise interfere with the prosecution of the case.

Respectfully Submitted,
